

AO Foundation - Release Notice (V5R3M1)

***** IMPORTANT NOTICE *****

Please note that this release no longer supports V6.1 or V7.1 of the operating system, but only supports V7.2 and up.

AO Foundation (V5R2M1) is the last AO release supporting V7.1 and V6.1.

Reclaim Your Heritage. Unleash Your Data Value.

The previous release (V5R3M0) was a major release. This release is to correct some operational and interface issues within the previous release.
